# IT TAKES INCREDIBLE PEOPLE TO MAKE INCREDIBLE HAPPEN.

Toronto Rehab Foundation extends its gratitude to Walter and Maria Schroeder for their transformational gift of \$20M, the largest-ever to a rehabilitation hospital in Canada.

Their extraordinary generosity will establish **The Walter and Maria Schroeder Brain Institute**.

This passionate commitment will help accelerate the pace of progress, from scientific discoveries to meaningful patient treatments. It will allow us to create revolutionary technologies that bring hope to millions of people in Canada and around the world engaged in a daily battle against neurodegenerative diseases like Alzheimer's, ALS and Parkinson's.
