INDEPENDENT AUDITORS' REPORT

To the Members of
Toronto Rehabilitation Institute Foundation

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of **Toronto Rehabilitation Institute Foundation**, which comprise the balance sheet as at March 31, 2014 and the statements of operations and changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **Toronto Rehabilitation Institute Foundation** as at March 31, 2014 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Corporations Act (Ontario), we report that, in our opinion, Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

Toronto, Canada,
June 16, 2014.

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

1. PURPOSE

Toronto Rehabilitation Institute Foundation [the "Foundation"] is incorporated under the laws of Ontario as a corporation without share capital. The Foundation raises, receives, accumulates and distributes funds and/or the income therefrom to improve and enhance rehabilitation research, professional education and patient care activities provided by the Toronto Rehabilitation Institute ["Toronto Rehab"] which is part of the University Health Network ["UHN"].

The Foundation is a public foundation registered under the Income Tax Act (Canada) and, as such, is exempt from income taxes and able to issue donation receipts for income tax purposes, under Registration Number 88098 0461 RR 0001.

The Foundation is responsible for all fundraising activities carried out on behalf of Toronto Rehab.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are prepared in accordance with Part III of the Chartered Professional Accountants of Canada ["CPA Canada"] Handbook – Accounting, which sets out generally accepted accounting principles for not-for-profit organizations in Canada and includes the significant accounting policies summarized below.

Fund accounting

The Foundation ensures, as part of its fiduciary responsibilities, that all funds received with a restricted purpose are expended for the purposes for which they were provided. Transfers between the funds are made when it is considered appropriate and authorized by the Board of Directors [the "Board"]. These interfund transfers are recorded in the statement of operations and changes in fund balances.

For financial reporting purposes, the accounts have been classified into the following funds:

[a] Unrestricted Fund

The Unrestricted Fund accounts for the Foundation's general fundraising, granting and administrative activities. The Unrestricted Fund reports unrestricted resources available for immediate purposes.

[b] Restricted Fund

The Restricted Fund includes those funds where resources are to be used for an identified purpose as specified by the donor, as stipulated by the fundraising appeal or as determined by the Board.

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

[c] Endowment Fund

The Endowment Fund includes those funds where either donor or internal restrictions require that the principal be maintained by the Foundation on a permanent basis.

Revenue recognition

The Foundation follows the restricted fund method of accounting for contributions, which include grants, bequests and other donations. Grants and bequests are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Other donations are recorded when received since pledges are not legally enforceable claims. Unrestricted contributions are recognized as revenue in the Unrestricted Fund when initially recorded in the accounts. Externally restricted contributions, except endowment contributions, are recorded in the Restricted Fund when initially recognized in the accounts. Externally restricted endowment contributions are recognized in the Endowment Fund when initially recognized in the accounts.

Investment income (loss), which consists of interest, dividends, income distributions from pooled funds, and realized and unrealized gains and losses, is recorded in the statement of operations and changes in fund balances. Investment income earned on Restricted Fund and Endowment Fund resources that must be spent on donor-restricted activities is recognized in the Restricted Fund. Investment income (loss) subject to restrictions stipulating that it be added to (deducted from) the principal amount of the endowment is recognized in the Endowment Fund. Unrestricted investment income (loss) earned on Unrestricted Fund, Restricted Fund and Endowment Fund resources is recognized in the Unrestricted Fund.

Revenue for special events is recognized when earned.

Contributed capital assets that are transferred to Toronto Rehab are recognized at their fair market value as donations revenue in the financial statements.

Financial instruments

Investments are recorded at fair value. Transactions are recorded on a trade date basis and transaction costs are expensed as incurred.

Other financial instruments are initially recorded at their fair value and are subsequently measured at cost, net of any provisions for impairment.

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

Grants

Grants are recorded when approved and the recipient has met all conditions.

Contributed materials and services

Volunteers contribute a substantial number of hours each year to assist the Foundation in carrying out its fundraising activities; however, those services cannot be readily valued and are therefore not recognized in the financial statements.

Allocation of expenses

Direct costs of fundraising programs are allocated between the Unrestricted Fund and Restricted Fund based on the fund in which the related revenue is recorded. All salaries and benefits are allocated to the Unrestricted Fund, unless there is a special fundraising campaign, in which case salaries and benefits are allocated to the Restricted Fund based on an estimate of time spent on the campaign.

3. INVESTMENTS

[a] The Foundation holds units in pooled funds. The effective asset mix of the portfolio, at market value, is as follows:

	2014	2013
	\$	\$
Equities		
Canadian	4,885,117	4,324,648
U.S. and other foreign	3,232,039	2,759,591
Short-term investments	7,337,971	7,384,929
Bonds	7,947,847	7,096,872
Investment in start-up company	1	—
	23,402,975	21,566,040

Short-term investments are held primarily for unrestricted funds, externally restricted funds [note 4] and amounts due to UHN.

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

[b] During the year, the Foundation advanced \$400,000 to a start-up company that is controlled by UHN in exchange for a convertible debenture. As at March 31, 2014, it was determined that the fair value of the investment was not able to be determined and it was written down to a nominal value of \$1.

[c] Investment income of \$1,776,931 [2013 - \$1,019,319] is net of custodial and investment counselling fees of \$90,767 [2013 - \$102,449].

4. RESTRICTED FUND

The Restricted Fund includes funds held for the following purposes for Toronto Rehab:

	2014	2013
	\$	\$
Externally restricted		
Program	5,252,180	5,463,570
Research	2,563,035	2,143,962
Capital	558,633	154,133
	8,373,848	7,761,665
Internally restricted	120,486	114,138
	8,494,334	7,875,803

5. ENDOWMENT FUND

[a] The Endowment Fund consists of externally restricted contributions received by the Foundation where the endowment principal is required to be maintained intact. The Endowment Fund also includes internal resources transferred by the Board to the Endowment Fund, with the intention that the principal be maintained intact. The investment income generated from assets held for endowment purposes must be used in accordance with the various purposes established by the donors or the Board.

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

[b] Major categories of the Endowment Fund balances are as follows:

	2014	2013
	\$	\$
Donor-designated	4,235,627	3,733,782
Board-designated		
Unrestricted funds	87,447	80,081
Restricted funds	4,348,864	4,103,865
	8,671,938	7,917,728

Included in donor-designated funds is \$2,330,862 [2013 - \$2,171,691] held as a research chair supporting the research program at Toronto Rehab. The Board-designated restricted funds represent additional funds held as research chairs at the Board's direction.

In addition, during 2001, the Foundation and the University of Toronto [the "University"] each contributed \$1,500,000 to establish The Toronto Rehabilitation Institute Chair. The University is responsible for managing this endowment with the intent that the capital value be maintained in perpetuity. These funds are recorded in the financial statements of the University. The annual income from this endowment is to be made available to support the holder of the Chair. As of April 30, 2013, the date of the most recent valuation, the market value of the original \$3,000,000 endowment was approximately \$2,745,320.

[c] Investment income is allocated among the funds based on the Foundation's policy. This policy has the objective of protecting the real value of the endowments over time by limiting the amount of income made available for spending and requiring the reinvestment of any income in excess of this limit. Currently, the income available for spending is set at 3.5% of the average value of each fund with the exception of certain research chair funds which are at 5%.

The preservation of capital is recorded as revenue of the Endowment Fund for externally endowed funds. For Board-designated unrestricted funds, the preservation of capital is recorded as income of the Unrestricted Fund and transferred to the Endowment Fund in the statement of operations and changes in fund balances. For Board-designated restricted funds, the preservation of capital is recorded as income of the Restricted Fund and transferred to the Endowment Fund in the statement of operations and changes in fund balances. In any year, should net investment income not be sufficient to fund the amount required for spending, the amount that is to be made available for spending is funded by a transfer from the Endowment Fund. This amount is expected to be recovered by future net investment income.

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

[d] In 2014, investment income of \$535,894 [2013 - \$334,283] was earned on investments held for endowment funds and allocated for the preservation of capital. Of this amount, \$287,696 [2013 - \$48,960] related to donor-designated funds was recorded as investment income in the Endowment Fund. Capital preservation of \$7,366 [2013 - \$57,829], related to Board-designated unrestricted funds, was recorded as income in the Unrestricted Fund and then transferred to the Endowment Fund. Capital preservation of \$240,832 [2013 - \$227,495], related to Board-designated restricted funds, was recorded as income in the Restricted Fund and then transferred to the Endowment Fund [note 6].

Of the total investment income, \$136,534 [2013 - \$171,146] and \$204,964 [2013 - \$203,387] earned on donor-designated endowment and Board-designated restricted endowment funds was made available for spending and recorded as Restricted Fund revenue. Investment income of \$3,512 [2013 - \$36,729] earned on Board-designated unrestricted funds was made available for spending and recorded as revenue in the Unrestricted Fund and transferred to the Restricted Fund [note 6].

6. INTERFUND TRANSFERS

Transfers between funds consist of the following:

	2014		
	Unrestricted Fund \$	Restricted Fund \$	Endowment Fund \$
Allocation of investment income and amount available for spending related to Board-designated endowments [note 5[d]]	(10,878)	(237,320)	248,198
Board-approved transfers	432,078	(432,078)	—
	421,200	(669,398)	248,198

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

	2013		
	Unrestricted Fund \$	Restricted Fund \$	Endowment Fund \$
Allocation of investment income and amount available for spending related to Board-designated endowments <i>[note 5[d]]</i>	(57,829)	12,620	45,209
Board-approved transfers	2,164,971	(1,308,476)	(856,495)
	2,107,142	(1,295,856)	(811,286)

7. PLEDGES

Pledges have been committed and will be recorded as donations revenue when received. Management believes that substantially all of these pledges will be collected. The payment schedule for the pledges is as follows:

	\$
2015	1,886,828
2016	1,771,805
2017	1,563,575
2018	673,751
2019	452,151
2020 and thereafter	933,927
	7,282,037

8. RELATED PARTY TRANSACTIONS

- [a] The Foundation continues to seek private support to enhance Toronto Rehab. Since April 1, 2002, the Foundation has granted a total of \$55,600,000 [2013 - \$52,700,000] including \$34,400,000 for the University Centre redevelopment and \$21,200,000 for research initiatives, the Lyndhurst Centre redevelopment, Bickle Centre redevelopment and several facility upgrades.
- [b] In fiscal 2014, the Foundation recorded grants of \$2,897,528 [2013 - \$2,296,037] to UHN for research and other initiatives. As at March 31, 2013, the Foundation also recorded grants of \$7,892,555 to Toronto Rehab for capital projects.

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

- [c] UHN provides certain services to the Foundation and pays some expenses on behalf of the Foundation. The Foundation reimburses UHN for all direct costs associated with services provided and expenses paid, including salaries and benefits of \$1,540,902 [2013 - \$1,336,577] associated with staff working at the Foundation. UHN provides office space to the Foundation on a rent-free basis.
- [d] The amount due to UHN of \$5,114,275 as at March 31, 2014 relates to grants and expenses paid on behalf of the Foundation and is payable on demand and is non-interest bearing.
- [e] As at March 31, 2014, there is an outstanding commitment for fiscal 2015 to provide Toronto Rehab with a grant of \$700,000 for research. This commitment was reduced by \$400,000 as a result of the investment in the start-up company [note 3[b]]. In addition, there is a commitment to provide \$5,900,000, on a best efforts basis, for the redevelopment of the E.W. Bickle Centre for Complex Continuing Care.

9. FINANCIAL INSTRUMENTS

The Foundation is exposed to various financial risks through transactions in financial instruments.

Credit risk

The Foundation is exposed to credit risk in connection with its short-term and fixed-term investments because of the risk that one party to the financial instrument may cause a financial loss for the other party by failing to discharge an obligation.

Currency risk

The Foundation is exposed to foreign currency risk with respect to the underlying investments of its pooled funds denominated in foreign currencies, because the fair value and future cash flows will fluctuate due to the changes in the relative value of foreign currencies against the Canadian dollar.

Interest rate risk

The Foundation is exposed to interest rate risk with respect to a pooled fund that holds fixed income securities because the fair value will fluctuate due to changes in market interest rates.

Toronto Rehabilitation Institute Foundation

NOTES TO FINANCIAL STATEMENTS

March 31, 2014

Other price risk

The Foundation is exposed to other price risk through changes in market prices [other than changes arising from interest rate or currency risks] in connection with its investments in pooled funds.
